These floor plans and artistic renderings of the models may assist the public in visualizing the homes. However, they may not accurately depict homes when built. The developer, its agents, associate companies and suppliers reserve the right to modify plans, specifications and features without prior notice. All models come in two exterior elevations which may alter the interiors. The rendering and floor plans for Residence 2-AR are shown in a reversed format. Wai Kalo'i is a development of Castle & Cooke Homes Hawaii, Inc.
